

Return Policy

Custom Compression Garments

Custom compression garments are **non** returnable.

Standard Compression Garments

Standard compression garments may be returned for credit or exchange if notified within 7 days of receipt and the return arrives within 21 days of original ship date. Returns must be unused, in new condition, and in original packaging with all packaging materials and documents. Credit will not be given or exchange initiated until BiaCare Medical has opportunity to inspect the returned merchandise. Shipping charges will not be credited.

Compression Supplies

Supplies may be returned for credit or exchange if notified within 7 days of receipt and the return shipment arrives within 21 days of the original ship date. Returns must be unused, in new condition, and in original undamaged packaging. Credit will not be given or exchange initiated until BiaCare Medical has opportunity to inspect the returned merchandise. Shipping charges will not be credited.
